

# BFS

- Construct graph constructs the graph with the nodes and edges already present
- Start BFS starts the animation and performs BFS operation.

Nodes (comma separated)

0, 1, 2, 3, 4, 5, 6, 7, 8

Edges (comma separated, format: node-node)

0-1, 1-2, 1-3, 1-4, 0-5, 0-6, 5-7, 7-8

Starting Node

1

Construct Graph

Start BFS
